Terms and Conditions

I hereby apply to Santee Cooper for electric service in accordance with "Terms and Conditions" and applicable rate schedules. Copies may be obtained at retail offices or online at: www.santeecooper.com/CommRates

NOTE: Accounts disconnected prior to one year are subject to unfulfilled contract.

In the event that my account is determined by Santee Cooper to need a demand meter (demand expected to exceed 50 KW in any three months of a 12 month period), I request to be billed on the following rate: (check one)

☐ General Service (GB)

☐ General Service Seasonal (GV)

I further understand that I may only change this rate once every 12 months.

All meter hubs need to be properly marked (e.g., unit number, lot number, street number, etc.). Santee Cooper is not responsible for marking meter bases. Meters will not be set in the meter bases that are known to be incorrectly marked or not marked at all.

Please select your Santee Cooper Retail Office for mailing information:

Service Time Frame

1. One working day if only a meter is needed.
2. Two working days if only a meter and overhead service connection is needed.
3. Ten working days if installation of overhead service is needed.
4. Fourteen working days is installation of underground service is needed.
