§257.102(i) Notice Deed Notation was Filed for Units Closed in Place

Following closure of a CCR unit, the owner must record a notation on the deed to the property, or some other instrument that is normally examined during title search as required under the United States Environmental Protection Agency (USEPA) Coal Combustion Residual (CCR) Rule (CCR Rule) published on 17 April 2015 (40 CFR 257.102(i)).

Under the CCR Rule, the Class 2 Landfill is a CCR landfill that was closed by leaving the CCR material in place. Santee Cooper filed a deed notation on October 17, 2016 with the Register of Deeds, Berkeley County, SC.
