

**Notice of Assessment Monitoring
Cross Generating Station, Class 2 Landfill**

The South Carolina Public Service Authority (Santee Cooper) is implementing the April 17, 2015 U.S. Environmental Protection Agency (U.S. EPA) Federal Coal Combustion Residuals (CCR) Rule (40 CFR § 257 and 261) for the Cross Generating Station, located in Berkeley County, South Carolina.

Consistent with § 257.94(e)(3) and § 257.105(h)(5), Santee Cooper is providing notification that an assessment monitoring program has been established for the closed Class 2 Landfill meeting the requirements of § 257.95. The closed Class 2 Landfill at Cross Generating Station ceased operations by December 31, 2015, and closure was completed by June 30, 2016 per a plan approved by South Carolina Department of Health and Environmental Control.
