

Santee Cooper IRP Input & Feedback Forum

- Enter your first and last name, email address, and organization (optional).
- Enter your input and feedback into the text box including links to pertinent information and attach any relevant documents you wish to provide. Note that only pdfs are allowed for attaching documents.
- Ensure the input and feedback provided is free of offensive language and content and is relevant to the development of Santee Coopers' IRP.
- Santee Cooper personnel will review material for inappropriate language or offensive content and either redact certain portions of material or not post input and feedback.
- The forum is limited to IRP related input and feedback and any material submitted that is not related to the development of Santee Cooper's IRP will not be posted.
- Santee Cooper will scan all links and documents for cyber security vulnerabilities and may reject content if required.
- If personal or contact information is included in the material submitted, Santee Cooper will assume the participant purposefully included the content and will not redact the information.
- You should receive an email for the following:
 - Notifying you that your input and feedback was successfully submitted.
 - Notifying you that your input and feedback was approved and is now posted to the forum.
 - Notifying you that your input and feedback was not approved.

If you need technical assistance in submitting input or feedback, please send an email to IRP@santeecooper.com.
