

*Topping our list for 2023 – **RELIABILITY!***

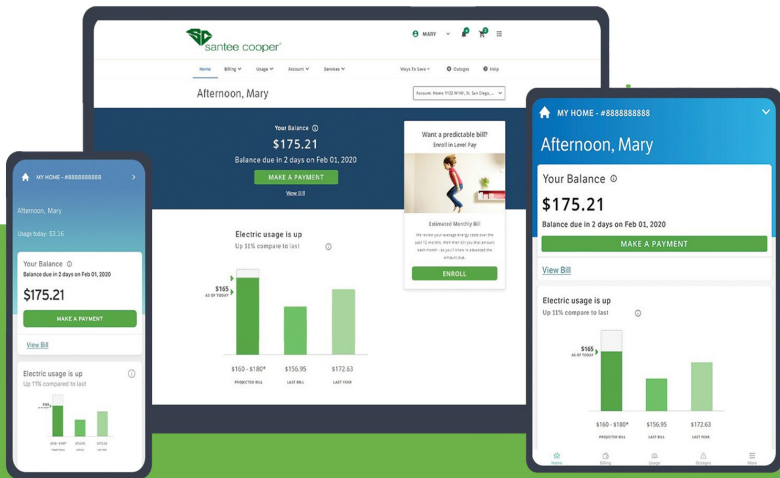

Santee Cooper ranks in the **top 2% for reliability** nationwide. Our team is committed to making sure you have the power you rely on. We recently made upgrades to ensure your reliability for years to come.

That's #PoweringSC.

MEL has an **exciting** new look and new features!

A new year and a new MEL are here! With a fresh, new look, MEL is bringing you more benefits than ever before, right at your fingertips, including:

- Enhanced dashboard experience.
- Access to near real-time usage data (30-min., hourly, daily and monthly).
- Daily and monthly usage notifications.
- Monthly bill projections.

We hope you enjoy the enhanced experience!
