

THE POWER IS YOURS

Spring Forward
with our EVolve
Grant Program!

empowersc®

www.EmpowerSC.com

You could qualify for a \$25,000
grant for your electric vehicle
journey.

Are you thinking of expanding your fleet to include electric vehicles (EVs) or are you working on an EV project at your business? Santee Cooper offers up to \$25,000 of grant funding to help with EV projects.

Project Categories: Customers are encouraged to apply* for EV projects in one of four project categories:

1. Make-Ready Research
2. Education and Outreach
3. Electric Vehicle Charging Infrastructure
4. Electric Fleet Conversion

For more information on applying for grant funding, visit www.santeecooper.com/EVolvegrant,

email e-mobility@santeecooper.com or call us at **800-804-7424**.

**Applications go through a competitive scoring process that will be completed by an independent third-party. Funding of projects is not guaranteed.*
