*Sign up for Santee Cooper's demand response  
program, SmartRewards, today to receive  
up to \$100 in bill credits your first year!*

# Be Empowered

Our **SmartRewards** program helps reduce the amount of electricity used when the demand for it is excessively high. This voluntary program is **FREE** and is a great way to help us maintain our award-winning reliability.

The best part about the program is how easy it is. After the switch is installed, you just collect your reward. When needed, we will cycle your equipment on and off to ease demand.

- Cycling events will only take place on select days listed to the right. These events will last no longer than a period of four hours.
- You can also opt out of two events per season.
- Events occur only on weekdays and not on weekends or holidays except during a system emergency.

For more information on Santee Cooper's **SmartRewards** program and to enroll today, visit [www.SCSmartRewards.com](http://www.SCSmartRewards.com), email [smartrewards@santecooper.com](mailto:smartrewards@santecooper.com) or call **833-493-1038**.
