***There's no better time to go paperless!***

*Easy & Secure • 24/7 Account Access • Account & Outage Notifications*

## While you're spring cleaning, you may want to update older appliances and equipment that typically use more energy.

Santee Cooper offers rebates for energy-efficient upgrades to your home or business, including:

- ENERGY STAR® appliances
- Heat pumps
- Smart thermostats
- And more

You may be eligible for a free energy assessment for your home or business. For more information, email [residential.energy@santecooper.com](mailto:residential.energy@santecooper.com) or [commercial.energy@santecooper.com](mailto:commercial.energy@santecooper.com).
