

THE POWER IS YOURS

Rooftop solar could be a
good investment for you.

It's important you research your options.

Before deciding if solar is right for you, be sure to do your homework:

- Check prices from several sources.
- Understand upfront and ongoing fees.
- Beware of misleading sales tactics and scams.

If you decide rooftop solar works for you, use a Santee Cooper Trade Ally that knows our rebates and programs best.

It's important you contact us early in the process to confirm you have all the necessary permits, documentation, and any special requirements.
