

THE TIME IS NOW TO PREPARE FOR HURRICANES!

Hurricane season runs
June through November.

- > **Pack your emergency kit** before June 1.
- > **Bookmark stormcenter.santeecooper.com** to report outages and track restoration times.
- > **Register for MEL Outage Alerts!** Get alerts and estimated restoration times when you sign up at myenergylinksc.com.

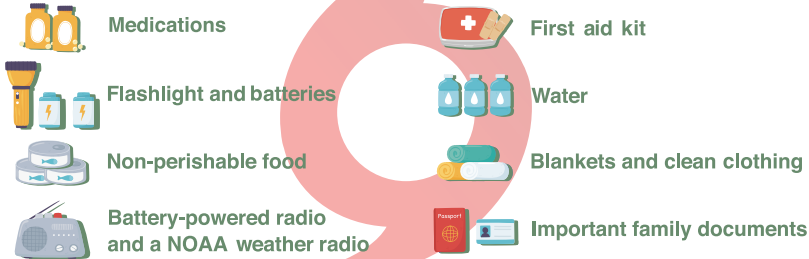

**Always stay at least 50 feet
from downed power lines!**

*Lines and the surrounding
area could be energized
and deadly
if touched.*

*Report all
hazards
such as fallen
or sparking
power lines, etc.,
to police or utilities
immediately.*

Report and track outages at
stormcenter.santeecooper.com

Or call us at 888-769-7688.

*Follow us on social
media for storm
updates.*

As temperatures rise, so can your usage.

We offer several programs to help you stay in control of your monthly bill.

Budget Billing

Make monthly expense planning easier with Budget Billing. Pay the same amount toward your electric bill every month. We'll review your usage at the end of the year and, if needed, settle the difference and adjust the next year's average bill amount.

Pick Your Due Date

You have the power to choose when to pay. With our Pick Your Due Date program, you decide what day of the month is best for you to pay your power bill. Choose any date from the first to the 28th.

MEL

Go paperless and manage all your payments online with MyEnergyLinkSC.com. Everyone who signs up this month and goes paperless will be entered to win a **\$15 bill credit**.
