

# Hurricane Preparation Tips

Hurricane season kicked off June 1.  
Now is the time to get ready.

**Track outages  
and restoration  
times online at**

**[stormcenter.santecooper.com](http://stormcenter.santecooper.com)**

**Or call us at 888-769-7688.**

*Scan this QR code  
for information on  
hurricane preparedness!*

*Make sure you are enrolled  
in outage notifications  
through MEL.*

Keep trees  
and shrubs  
trimmed.

Place valuables and  
personal papers in a  
waterproof container  
on the highest level  
of your home.

Have a plan in place for  
family and pets. Many  
shelters will not allow pets.

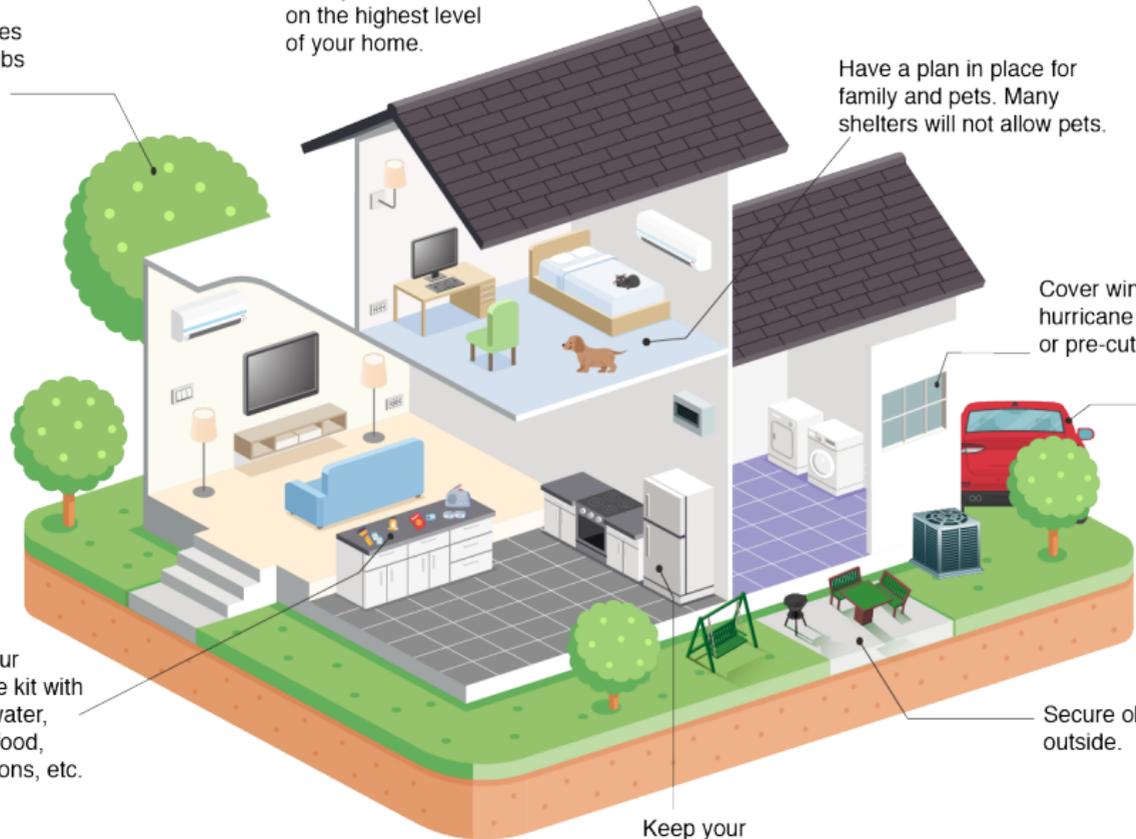

Cover windows with  
hurricane shutters  
or pre-cut plywood.

Fill your car  
with gas.

Make your  
hurricane kit with  
bottled water,  
canned food,  
medications, etc.

Secure objects  
outside.

Keep your  
refrigerator  
doors closed.

## Save the Sea Turtles

In June, we celebrate World Ocean Day, when people around the Earth celebrate and honor our one shared ocean that connects us all. Santee Cooper helps our ocean wildlife by working with S.C.U.T.E to bring awareness on ways we can all protect sea turtles. We help by providing bumper stickers to spread awareness and encouraging hotels to turn down oceanfront lights so turtles can follow the moon's light to the ocean.

## Riverfest Green Power Event

Another way we protect the planet is through our Green Power initiative. Customers can buy Green Power through their bill or for a specific event, and proceeds help build more renewable generation.

Riverfest in Conway will run on Green Power. Join us at **Riverfest June 24-25** for the Santee Cooper Business Expo, Artisan Market, kids' activities, entertainment and more!
