

Scammers Don't Take Time Off!

Red flags to look out for:

- Threatening to turn off your power if you don't pay immediately.
- Insisting you pay with a gift card.
- Offering discounts or account credits for making payments.
- Pressuring you into a contract that promises little to no power bill.

If you ever feel you are being targeted by a scammer,
call us first at 1-800-804-7424.

Thank You for Being a Santee Cooper Customer!

We appreciate you and the opportunity to serve your home or business.

We're celebrating 90 years of serving the state of South Carolina. Santee Cooper's story, in many ways, is intrinsically tied to South Carolina. We are devoted to advancing our great state, to promoting environmental stewardship, and to upholding our responsibility to the 2 million people who use our power and water.

Thank you for being our customer!
