

RISING TEMPERATURES DON'T HAVE TO MEAN HIGHER BILLS

Is your heat pump running as efficiently as possible at your business? Is your heat pump older than 10 years? It may be time to consider more energy-efficient equipment.

Santee Cooper offers rebates to help offset the equipment costs.

Lighting, Pumps & Motors,
HVAC Improvements,
Smart Thermostats,
New Construction Lighting
and more!

For more information and to get started on your rebate, visit santeecooper.com/business, email commercial.energy@santeecooper.com or call 800-804-7424.

A SMART THERMOSTAT CAN BE A SMART INVESTMENT

Businesses can benefit from having a smart thermostat. Just imagine being able to set the temperature at your business from your smart device.

Smart thermostats allow you:

- More control through an app on your smart device.
- More convenience for you and your staff.
- Potentially more energy savings.

Santee Cooper offers a \$50 rebate for qualifying smart thermostats.

For more information and to get started on your rebate, visit santeecooper.com/business, email commercial.energy@santeecooper.com or call **800-804-7424**.
