

Help the Environment and Your Wallet!

Join the SmartRewards program and get up to a \$50 bill credit* after a demand response switch is installed. Plus you can receive up to \$50 every year you participate in the program.

Why have a demand response program?

Demand response programs like SmartRewards have become crucial for electric utilities to help manage energy consumption effectively, especially during extreme weather events or high-demand periods.

NEED NEW DUCT WORK?

According to ENERGYSTAR®, about 20% to 30% of the air that moves through the duct system is lost due to leaks, holes and poorly connected ducts. Better ductwork can:

- Cause less tension on your home's heat pump system.
- Make you more comfortable by distributing air evenly throughout your home.

Santee Cooper offers a **\$500 rebate** to help with this improvement for single-family and multifamily homes.

Santee Cooper offers loans
to approved customers to
help with the expense of
replacing their duct work.
Take the step today to
make your home
more comfortable.
