

Dive into our Small Business Energy Saver Program

Improve your small business through our Small Business Energy Saver program. You can improve the look of your business and help your bottom line. The program is simple.

Here's what we do:

- Perform a FREE energy assessment.
- Install your new lighting or refrigeration equipment and manage your project.
- Pay a portion of the project cost.

The Eligible Upgrades are:

- Interior Lighting: Office, warehouse, showroom, retail shop, etc.
- Exterior Lighting: Parking lot and perimeter lighting
- Refrigeration: Walk-in coolers and freezers with energy-efficient motors, LED case lighting, and anti-sweat cooler door controls
- Now offering refrigeration for GB customers as part of this program. If you are wondering if your business qualifies, please give us a call.
