

## Powering Our Community Together

Celebrate Public Power Week Oct. 5-11.  
Locally owned power means trusted  
reliability, community focus, and service  
that puts you first.

Reliability is at the core of everything we do  
at Santee Cooper. We know our customers  
depend on us to keep the lights on and  
power flowing every day.

## Don't Let Energy Vampires Haunt Your Bill

Keep chargers and anything not used unplugged to prevent phantom energy being gobbled up by those wires. Suck energy vampires dry – unplug unused appliances.

Santee Cooper Marketplace offers smart power strips to help you banish energy vampires.
