Outsmart the Scammers

The holidays should be a time of joy, but scammers use this season to ramp up their high-pressure tactics by:

- Impersonating utility employees.
- Threatening to shut off your power unless you pay immediately.
- Demanding payment using prepaid debit cards, gift cards or cryptocurrency.

If you receive a suspicious call, email or visit, you can outsmart the scammers!

- Do not share personal details or make a payment.
- Hang up immediately if called.
- Contact us at 800-804-7424 to verify your account status.

Please remember: We will never demand immediate payment over the phone or dictate how you must pay your bill.

Stay alert and keep your holidays bright and secure!
