

# Community Cares

We thank our customers who are dedicated to helping their neighbors through our Community Cares assistance program. Around 200 residential and business customers have donated, with some pledging regular, recurring donations. That's a testament to your kindness!

*We Volunteer to Keep Our Communities Strong*

The Santee Cooper team lives, works, plays – and volunteers – in our communities. In 2025, we logged more than 36,000 volunteer hours. This National Volunteer Month, and throughout the year, we'll continue to value, serve and lift up our communities.
