

Solar Savings Start with Smart Shopping

Solar can be a great investment. Before making a decision, be sure you know the ins and outs of adding solar to your home.

- Visit solar.sc.gov to learn the basics of solar energy.
- Call us for your current energy usage and solar options. We're here to help.
- Take advantage of a Santee Cooper rebate when using a Trade Ally.

With rebates, credits and on-bill financing options available, it may be the perfect time to unlock the benefits of clean, renewable energy.

For more information, email
solar@santecooper.com, call **800-804-7424**
or scan the QR code.

The logo for Empower Home, with 'empower' in a bold, lowercase sans-serif font and 'HOME' in a smaller, uppercase sans-serif font below it. A stylized lightning bolt is integrated into the letter 'o' of 'empower'. The logo is set against a red rounded rectangular background.

DEFEAT THE PEAK **BANK THE SAVINGS**

Summer Peak Hours Are Here

Summer Peak Hours take place from 3 p.m. to 6 p.m., April 1 to Oct. 31. You can Defeat The Peak and Bank The Savings by making easy changes around your home:

- Delay running your dishwasher until after Peak Hours.
- Pre-cool your home to stay comfortable.
- Use a water heater timer and program it to avoid Peak Hours.
- Dry your clothes before 3 p.m. or after 6 p.m.

By mastering the art of timing energy-guzzling appliances away from Peak Hours, you can cut your demand and lower your bills.

DEFEAT THE PEAK.

Summer:
3 - 6 PM

April – October
