

Hurricane Season is Here. *Are You Ready?*

Prepare: Make a hurricane plan and storm kit. Include water, food, medicine, flashlights, chargers, batteries and more.

Stay Informed: Sign up for outage alerts through MEL. Follow local and state storm updates. Follow Santee Cooper on Facebook and X.

Be Safe: Assume downed power lines are energized and never touch one. Review your generator's safety rules.

MEL: Account Updates at Your Fingertips

It's easier than ever to manage your account and energy use with MEL.

- Set alerts for electric use and demand thresholds.
- Receive real-time outage alerts.
- Review daily demand and usage.
- Pay your bills.

MEL helps take the guesswork out of your electric use. After signing up for MEL, be sure to set alerts and notifications.

Customers who register for MEL and paperless billing will be entered for a chance to win a **\$100 bill credit!**

Download MEL in the app store! Search for **Santee Cooper's My Energy Link**. Scan the QR code to sign up or sign in.
