

*From Lakes to Turtles: **We Protect South Carolina***

At Santee Cooper, we actively protect the beautiful places and wildlife that make our state special.

Lakes and Lands:

We manage lakes Marion and Moultrie and donate land for public parks.

Wildlife and Habitats:

We restore vital wetlands, support sea turtle conservation, and help keep SC wild.

Statewide Initiatives:

Our GOFER program helps you recycle used motor oil and protects local watersheds.

Together, we're preserving South Carolina for future generations.

FALL INTO **ENERGY** SAVINGS

empowersc[®]

Before cooler weather rolls in, check your heat pump to keep energy bills low and stay cozy.

Your Fall Checklist

- Get a Tuneup: Prevents unexpected downtime and costly repairs.
- Swap Your Filter: Keeps air fresh and helps your system run efficiently.
- Check Your Thermostat: Adjust settings to keep comfort high and costs down.

Need an upgrade? We offer rebates on qualified heat pumps.
Get started at **empowersc.com**.

The Right Rate for You

Every household and business runs differently. Your rate should match your unique daily routine and energy use, and we're here to help. Explore rates at **santeecooper.com/rates** or contact us at **customer@care@santeecooper.com** or **800-804-7424**.
