

Apprentice Event – **BACK YARD LIGHT CHANGE OUT**

Chief Judge: Bryce Jones

Event Time: 6 Minutes

Drop Dead Time: 9 Minutes

This is a **de-energized event** where the apprentice will replace a rental light mounted on a 30' pole. The secondary connection will be disconnected and reconnected using split bolt connectors. A hook for hanging the grunt bag will be installed on the pole near the light.

1. Apprentice will have **5 minutes** to review the event site, ask questions, and load the grunt bag. (*Apprentice may rewire the new light head during this time.*)
2. Apprentice will climb the pole with the hand-line, hoist the grunt bag, secure it on the pole, and proceed with the light change-out.
3. Disconnect the light from the secondary feed.
4. Remove the bulb, shade, and photo control from the damaged light head.
5. Remove the old head and install the new head.
6. Reinstall the existing bulb, shade, and photo control onto the new head.
7. Reconnect the secondary to the light.
8. **Time stops** when the old light head is lowered to the ground via the hand-line, marking the last step of the event.
9. Judging will continue until the apprentice safely returns to the ground.
10. All **general rules** apply.

Equipment Provided:

- One hand-line
- One grunt bag
