

iNote - March 26, 2020

### **Re-entry placards are available in case travel becomes restricted**

In case travel becomes restricted due to the pandemic, Santee Cooper has re-entry placards available for employees to use when traveling to and from work or reporting to worksites. If you are in the Moncks Corner office, Corporate Printing and Mail has them available in the print shop. Employees can also download and print cards off of the [COVID-19 iPort page](#) or email [CIMT@santeecooper.com](mailto:CIMT@santeecooper.com) to request one. Please remember to carry your Santee Cooper badge to show along with the re-entry placard.
