iNote Subject: FEMA COVID-19 Reimbursements

As a result of the COVID-19 pandemic, FEMA has declared that any costs associated with protective measures from the virus will be eligible for reimbursement. This includes, but is not limited to personal protective equipment, cleaning and sanitization materials, and related services.

Any COVID-19 related materials requested through the warehouses should be charged directly to the COVID-19 project/task **123904-SUPPLIES** until further notice. This will help to ensure Santee Cooper maximizes its ability to recoup all related expenses from FEMA.

For questions related to COVID-19 material charges, please contact [Chris Wilson](#), ext. 5138, [Liz Rogers](#), ext. 5565 or [Shanda Phillips](#), ext. 5614.
