SANTEE COOPER
OUTDOOR LIGHTING DEVELOPER CONTRIBUTION AGREEMENT
FOR HERITAGE LED COLLECTION (OLC-25)

Agreement Effective Date & Term

The Outdoor Rental Lighting Developer Contribution Agreement (hereafter know as the Agreement) is effective on the date recorded on the front of this Agreement. The Agreement shall remain in effect for a period of fifteen (15) years from the effective date.

Applicability, Installations, and Charges

Electric Service, lighting lease, and energy rates will be delivered at the charges and terms set forth by the current Santee Cooper "Private Outdoor Lighting Service Developer Contribution," Rate Schedule ("OLDC-25"), or successor schedules and in accordance with Santee Cooper's Terms and Conditions of Retail Electric Service, available online or at Santee Cooper's retail offices. In the event that OLDC-25 (or a successor schedule) is terminated, a prorated refund, without interest, will be returned to the customer by check within 30 days of termination. In the event the OLDC-25 (or a successor schedule) is canceled, the Customer will be returned to the then current "Private Outdoor Lighting Service" OL-25 or its successor rate schedule or the Customer may pay a capital contribution fee and move to the OLC-25 rate or its successor rate schedule.

With the exception of the concrete foundations, which are furnished, installed, and maintained by the Customer, lighting equipment including lamps, fixtures, and the necessary lighting circuits, poles, and fittings will be furnished, installed, owned, and maintained by Santee Cooper. Any exception must be submitted in writing and approved by Santee Cooper before installation of any associated lighting equipment.

The provisions of OLDC-25 (and any successor rate schedules) and Santee Cooper's Terms and Conditions of Retail Electric Service, are adopted and incorporated by reference into this Agreement.
