

## Single Family Smart Thermostat Installation Form

### Instructions:

- Santee Cooper is offering a rebate on smart thermostats that have been prequalified and listed below in Table 1-1. Any thermostat not on this list is **INELIGIBLE** for a rebate.
  - Thermostat must match name and model number from Table 1-1 in order to receive a rebate.
- Rebates are available to Santee Cooper residential customers who own a home meeting the following eligibility requirements:
  - Home must be separately metered and receive electrical service from Santee Cooper.
  - Home must be all electric; excluding hybrid heat pumps, gas fireplaces and gas cooktops.
- Home must be single family residence in order to be eligible for a thermostat rebate. Single family is defined as a single, detached residential dwelling. Multi-family units including but not limited to apartments, condos, and townhomes are not eligible.
- Thermostat must be new.
- Santee Cooper must receive a completed copy of this form within thirty (30) business days after the equipment is installed along with, pictures of the installed smart thermostat and proof of purchase in order to be eligible for rebate payments. Final review of customer's rebate application is contingent upon the submittal of all required Program documentation within the timeframe specified.
- All necessary documents and information must be submitted no later than November 30, 2018.
