The thermostats listed above are the only thermostats currently eligible for a rebate. The thermostat you purchase must be a new Smart Thermostat. Rebates are limited to the price of the thermostat and are limited to a maximum of two (2) thermostats per customer address.

Non-Eligible Thermostats:

Please confirm that the model number on your thermostat matches the eligible model numbers prior to purchase. Santee Cooper will not rebate any thermostats that are not included in this prequalified list. Please contact a Santee Cooper Energy Advisor at Residential.Energy@SanteeCooper.com or Commercial.Energy@SanteeCooper.com with any questions you may have.
