

Apprentice Event – **BACK YARD LIGHT CHANGE OUT**

Event Time: 14 Minutes

Drop Dead Time: 21 Minutes

This is a de-energized event. The apprentice will replace a rental light on a 30' pole. Secondary connection will be disconnected and reconnected with split bolt connectors. A hook for hanging the grunt bag will be installed on the pole near light.

1. Apprentice will have 5 minutes to look over the event site, ask questions and load his grunt bag. (Apprentice may rewire the new light head)
2. Apprentice will ascend pole with hand-line, pull up grunt bag on hand-line, hang on pole and change out light.
3. Light will be disconnected from secondary feed.
4. Bulb, shade, and photo control are to be removed from the damaged head.
5. Remove old head and install new head.
6. Reinstall existing bulb, shade and photo control to new head installation.
7. Secondary is to be reconnected to light.
8. Time stops when the old head is lowered to the ground on hand-line as last step of the event.
9. Judging will continue until apprentice reaches ground.
10. General rules apply.
