RESIDENTIAL SERVICE EXTENSION APPLICATION AGREEMENT

This RESIDENTIAL SERVICE EXTENSION APPLICATION AGREEMENT (RSEAA) is entered into as of _____, 20__, (the "Effective Date"), by and between _____, hereinafter called "Customer", and "Santee Cooper". The Customer and Santee Cooper are hereinafter collectively referred to as the "Parties" or "Party".

This RSEAA will set forth the specific requirements, responsibilities, and rights of the Customer and Santee Cooper in response to the Customer's request that Santee Cooper install an electric service, located at _____.

Service Address

1. Each individual residence will be supplied single-phase, three-wire service at a nominal voltage of 120/240 volts, 60 hertz.
2. The Customer will be responsible for furnishing and installing the service conductors from the meter socket to the residence.
3. It is the customer's responsibility to locate their privately-owned underground facilities. These facilities include, but are not limited to, water lines (potable and irrigation), sewer lines, and electrical wires. Please indicate the appropriate response:
 - No customer-owned facilities are installed.
 - I will locate and mark all customer-owned facilities by (date) ____ / ____ / ____ at (time) ____: _____
 - I have customer-owned facilities, but cannot locate them.
 - Other (Please explain): _____
4. Santee Cooper will not be liable for any damage to such facilities or obstructions. However, it is understood that Santee Cooper will install its facilities in a safe and workmanlike manner in accordance with recognized engineering practices for such installations.
5. The Customer will be responsible for his or his contractor's damages to Santee Cooper facilities. Any damage to Santee Cooper's facilities will be repaired or replaced at the customer's expense.
6. ACCEPTANCE AND SIGNATURES: Upon the acceptance hereof by Santee Cooper, evidenced by the signature of its authorized representative appearing below, this document shall be an Agreement for the interconnection of Customer to Santee Cooper's system.
7. The Contribution in Aid of Construction (CIAC) will be determined as established in Santee Cooper's Residential Electric Line Extension Policy and shall be due to Santee Cooper in advance of construction. Please be advised that under Santee Cooper's Residential Electric Line Extension

Project/Task:

Myrtle Beach: 116993/UA003803 North Myrtle Beach: 116997/UA003803 Berkley: 116989/UA003803
Garden City: 117004/UA003803 Conway: 117000/UA003803

The allowance of single-phase primary per lot, as referenced in the Residential Line Extension Policy is 1000 feet.

Rev. 1/9/2014

Policy, a charge for the electric service extension will be assessed. If applicable, revenue credits for electrical appliances may be applied to the CIAC. To expedite this process, we have provided typical charges and credits below. **Please initial beside all applicable revenue credits for all-electric appliances. If your service is atypical, an engineer will contact you after an initial field inspection to discuss an additional CIAC that may be due prior to scheduling your service to be installed.**

	Initial Applicable Revenue Credits	Calculations for a 200A meter base.		Calculations for a 320A meter base.	
		Credits	CIAC	Credits	CIAC
a) CIAC for typical service (Up to 100' from source)			\$288.65		\$377.00
b) Credit for all-electric space conditioning	_____	\$106.80		\$139.49	
c) Credit for all-electric water heater	_____	\$118.35		\$154.57	
d) Credit for all-electric clothes dryer	_____	\$31.75		\$41.47	
e) Credit for all-electric cooking	_____	\$31.75		\$41.47	
f) Sum of applicable credits from lines b, c, d, & e		\$_____		\$_____	
g) Estimated CIAC due prior to construction (a – f)			\$_____		\$_____

*Issuance of revenue credits for declared appliances may require that the property be available for inspection upon request.
